Badminton Horse Trials

30th April – 2nd May 2010

Top International Equestrian event featuring Dressage, Jumping and Cross-Country competitions. Badminton Horse Trials is one of the toughest and most exciting equestrian events - the pinnacle of the world's 3-Day-Event calendar. As the name suggests horses and riders complete the competition over 3 days, each day consisting of a different discipline or phase. Horses and riders must complete a dressage test demonstrating Obedience, Discipline, Accuracy and Elegance. They need to be fit and athletic to complete a 4 mile cross country ride jumping several solid man-made and natural obstacles within a set time. Finally they must complete a course of show-jumps designed to test their agility and accuracy at speed..
